#### WELCOME

**Welcome to EXP**, the weekly Saturday-night ministry of Paramount. If you're new to EXP, please complete the form on the back and place it in the guest box located at the welcome desk.

There's no meal tonight, but everyone's welcome to hang out in our Game Room, Play Zones, and other community space.

#### OBSERVING LENT

**The season of Lent is now underway**, having begun a few days ago on Ash Wednesday. This year, we have made available the devotional book *24 Hours That Changed the World*. It features 40 days of reflection on the events of Jesus' last day.

Tonight is the last opportunity to purchase one of these books. They are available in the foyer, and you may help us recover some of the cost with a donation of \$2-3.

#### NO EXP:KIDS/45s TONIGHT

**Due to Spring Break**, there is no EXP:Kids or 45s tonight or next weekend. "Kid bags" are available as you enter the worship service. We'll return to our usual schedule March 26.

#### 2011-2012 MINISTRIES BUDGET

**Paramount's** 2011-2012 budget is available tonight for you to pick up and review. It will be discussed on Sunday, March 20, during the 6 pm adult Bible study in the Chapel. We will vote on the budget the weekend of March 26-27. For a more detailed breakdown of the budget, please contact the Church Office (355-3396).

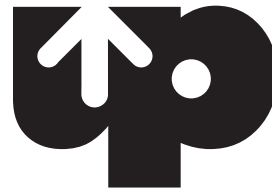

#### SCHOLARSHIP FUNDRAISING UPDATE

**In December**, Paramount's Scholarship Committee started a campaign in order to raise additional funds for the PBC scholarship program. Our goal was to raise \$10,000 by May of 2011. To date we have received \$5,745.

First, thank you for helping us obtain more than 50% of our goal. Second, we hope you will continue to support our campaign in trying to reach the \$10,000 mark. You can support the scholarship program by giving to the Scholarship General Fund or to one of the Endowment Funds. For a complete list of these funds, contact the Youth Office (350-7200).
